As previously disclosed in the Current Reports on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on March 17, 2022 and on November 28, 2022, Metals Acquisition Corp ("MAC"), Metals Acquisition Corp (Australia) Pty Ltd, an Australian private company and wholly-owned subsidiary of MAC ("MAC-Sub"), Metals Acquisition Limited, a private limited company newly incorporated under the laws of Jersey, Channel Islands ("MAC Limited"), and Glencore Operations Australia Limited ("Glencore") entered into a Share Sale Agreement (as amended by the Deed of Consent and Covenant, dated as of November 22, 2022, as further amended by a side letter dated as of April 21, 2023 and as may be further amended, supplemented, or otherwise modified from time to time, the "Share Sale Agreement"). Pursuant to the terms of the Share Sale Agreement, among other things, MAC-Sub will acquire from Glencore 100% of the issued share capital of Cobar Management Pty. Limited ("CMPL"), which owns and operates the Cornish, Scottish and Australian mine (the "CSA Mine") in Cobar, New South Wales, Australia, and consummate the transactions contemplated thereby (collectively, the "Business Combination").

In connection with the Business Combination, MAC will merge with and into MAC Limited (the "Merger" and, together with the Business Combination, the "Transaction"), with MAC Limited continuing as the surviving company (MAC Limited following the Merger is referred to as "New MAC").

Subscription Agreements

As previously disclosed in the Current Reports on Form 8-K filed with the SEC on April 14, 2023 and May 11, 2023, MAC, New MAC and certain investors entered into subscription agreements (the “Announced Subscription Agreements”), pursuant to which such investors agreed to subscribe for an aggregate of 13,982,247 ordinary shares, par value \$0.0001 per share, of New MAC (the “Announced Subscribed Shares”) at a purchase price of \$10.00 per share, for an aggregate purchase price of \$139,822,470 in a private placement or placements (the “Announced Private Placements”) to be consummated immediately prior to or substantially concurrently with the consummation of the Transaction.

On May 16, 2023, MAC, New MAC and certain investors entered into additional subscription agreements (the “Additional Agreements” and together with the Announced Subscription Agreements, the “Subscription Agreements”), pursuant to which such investors agreed to subscribe for an aggregate of 3,470,000 ordinary shares, par value \$0.0001 per share, of New MAC (the “Additional Subscribed Shares” and together with the Announced Subscribed Shares, the “Subscribed Shares”) at a purchase price of \$10.00 per share, for an aggregate purchase price of \$34,700,000 in a private placement or placements (the “Additional Private Placement” and together with the Announced Private Placements, the “Private Placements”).

As of the date of this Current Report on Form 8-K, investors subscribed for an aggregate of 17,452,247 Subscribed Shares and the Private Placements include an aggregate purchase price of \$174,522,470 of the Private Placements.

The obligations of the parties to consummate the transactions contemplated by the Subscription Agreements shall be contingent upon, among other things, customary closing conditions and the consummation of the Transaction.

The Subscription Agreements will terminate upon the earlier of (i) such date and time as the Share Sale Agreement is terminated in accordance with its terms, (ii) upon the mutual written agreement of the Issuer and MAC and Subscriber to terminate the Subscription Agreements, or (iii) August 2, 2023.

The foregoing description of the Subscription Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the form of Subscription Agreement, a copy of which is attached hereto as Exhibit 10.1, and the terms of which are incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth above in Item 1.01 of this Current Report is incorporated by reference herein. The Subscribed Shares to be issued in connection with the Subscription Agreements will not be registered under the Securities Act, in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act and/or Regulation D promulgated thereunder.

Item 7.01 Regulation FD Disclosure.

On May 16 2023, MAC issued a press release announcing the execution of the Subscription Agreements. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information in this Item 7.01, including Exhibit 99.1, is furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to liabilities under that section, and shall not be deemed to be incorporated by reference into the filings of MAC under the Securities Act or the Exchange Act, regardless of any general incorporation language in such filings.

IMPORTANT ADDITIONAL INFORMATION AND WHERE TO FIND IT

For additional information on the proposed Business Combination, see the relevant materials that MAC has filed with the Securities and Exchange Commission (the “SEC”), including a registration statement on Form F-4, which includes the Proxy Statement/Prospectus of MAC. MAC’s shareholders and other interested persons are advised to read the definitive proxy statement/prospectus filed with the SEC in connection with the proposed Business Combination, as these materials contain important information about the CSA Mine, MAC, New MAC and the proposed Business Combination. MAC is in the process of mailing the definitive proxy statement/prospectus and other relevant materials to shareholders of MAC as of May 5, 2023 the record date for voting on, among other things, the proposed Business Combination. Shareholders are also able to obtain copies of the definitive proxy statement/prospectus, and other documents filed with the SEC, without charge at the SEC’s website at www.sec.gov. The information contained on, or that may be accessed through, the websites referenced in this communication is not incorporated by reference into, and is not a part of, this communication.

FORWARD-LOOKING STATEMENTS

This Current Report on Form 8-K includes “forward-looking statements.” MAC’s actual results may differ from expectations, estimates, and projections and, consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as “expect,” “estimate,” “project,” “budget,” “forecast,” “anticipate,” “intend,” “plan,” “may,” “will,” “could,” “should,” “believes,” “predicts,” “potential,” “continue,” and similar expressions (or the negative versions of such words or expressions) are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, MAC’s expectations with respect to future performance of the CSA Mine and anticipated financial impacts and other effects of the proposed business combination, the satisfaction of the closing conditions to the proposed transaction and the timing of the completion of the proposed transaction. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from those discussed in the forward-looking statements. Most of these factors are outside MAC’s control and are difficult to predict. Factors that may cause such differences include, but are not limited to: the occurrence of any event, change, or other circumstances that could give rise to the termination of the Share Sale Agreement; the outcome of any legal proceedings that may be instituted against MAC following the announcement of the Share Sale Agreement dated as of March 17, 2022 (as amended by the Deed of Consent and Covenant dated as of November 22, 2022, and as further amended by the Share Sale Agreement Side Letter, dated as of April 21, 2023 (the “Share Sale Agreement”)); the inability to complete the proposed transaction, including due to failure to obtain financing, approval of the shareholders of MAC, certain regulatory approvals, or satisfy other conditions to closing in the Share Sale Agreement; the occurrence of any event, change, or other circumstance that could give rise to the termination of the Share Sale Agreement, or could otherwise cause the transaction to fail to close MAC’s inability to secure the expecting financing for the consideration under the Share Sale Agreement; the inability to obtain or maintain the listing of MAC’s shares following the proposed transaction; the risk that the proposed transaction disrupts current plans and operations as a result of the announcement and consummation of the proposed business combination; the ability to recognize the anticipated benefits of the proposed business combination, which may be affected by, among other things; the supply and demand for copper; the future price of copper; the timing and amount of estimated future production, costs of production, capital expenditures and requirements for additional capital; cash flow provided by operating activities; unanticipated reclamation expenses; claims and limitations on insurance coverage; the uncertainty in mineral resource estimates; the uncertainty in geological, metallurgical and geotechnical studies and opinions; infrastructure risks; and dependence on key management personnel and executive officers; and other risks and uncertainties indicated from time to time in the final prospectus of MAC for its initial public offering and the definitive proxy statement/prospectus relating to the proposed business combination that MAC filed with the SEC, including those under “Risk Factors” therein, and in MAC’s other filings with the SEC. MAC cautions that the foregoing list of factors is not exclusive. MAC cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. MAC does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions, or circumstances on which any such statement is based.

More information on potential factors that could affect MAC's or CSA Mine's financial results is included from time to time in MAC's public reports filed with the SEC, including its Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K as well as the proxy statement/prospectus MAC filed with the SEC in connection with MAC's solicitation of proxies for the meeting of stockholders to be held to approve, among other things, the proposed business combination. If any of these risks materialize or MAC's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that MAC does not presently know, or that MAC currently believes are immaterial, that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect MAC's expectations, plans or forecasts of future events and views as of the date of this communication. MAC anticipates that subsequent events and developments will cause its assessments to change. However, while MAC may elect to update these forward-looking statements at some point in the future, MAC specifically disclaims any obligation to do so, except as required by law. These forward-looking statements should not be relied upon as representing MAC's assessment as of any date subsequent to the date of this communication. Accordingly, undue reliance should not be placed upon the forward-looking statements.

NO OFFER OR SOLICITATION

This Current Report on Form 8-K shall not constitute a solicitation of a proxy, consent or authorization with respect to any securities or in respect of the proposed business combination. This Current Report on Form 8-K shall also not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any states or jurisdictions in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended, or an exemption therefrom.

WHEREAS, in connection with the Transaction, pursuant to that certain Plan of Merger (the “Plan of Merger”), prior to the Closing Date (the “Effective Time”), the Company will be merged with and into the Issuer (the “Merger”), with the Issuer continuing as the surviving company (the “Issuer”) and CMPL being an indirect subsidiary of the Issuer following the Transaction; and

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Issuer, immediately prior to or substantially concurrently with, and contingent upon, the consummation of the Transaction, that number of the Ordinary Shares, set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Subscription Price” and the aggregate of such Per Share Subscription Price for all Subscribed Shares being referred to herein as the “Subscription Amount”), and the Issuer desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Subscription Amount by or on behalf of Subscriber to the Issuer; and

WHEREAS, substantially concurrently with and following the execution of this Subscription Agreement, the Issuer will enter into subscription agreements (the “Other Subscription Agreements”) and, together with this Subscription Agreement, the “Subscription Agreements”) with certain other accredited investors (the “Other Subscribers”) and, together with Subscriber, the “Subscribers”), which are on substantially the same terms as the terms of this Subscription Agreement (other than the amount of Ordinary Shares to be subscribed for and purchased by the Other Subscribers), pursuant to which such investors shall agree to purchase on the closing date of the Transaction (the “Closing Date”) Ordinary Shares (the “Other Subscribed Shares”) and, together with the Subscribed Shares, the “Aggregate Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. Subscription. Subject to the terms and conditions hereof, Subscriber hereby subscribes for and agrees to purchase at the Closing (as defined below), and the Issuer hereby agrees to issue and sell to Subscriber, upon the payment of the Subscription Amount, the Subscribed Shares (such subscription and issuance, the “Subscription”). The Issuer hereby expressly covenants and agrees that the Subscription Amount shall be used exclusively for the Transaction or after the consummation thereof by the Issuer and its subsidiaries (including CMPL) for working capital and other corporate purposes.

2. Closing.

(a) The consummation of the Subscription (the “Closing”) shall be contingent upon the Merger, and shall be contingent upon and occur on the Closing Date immediately prior to or concurrently with the consummation of the Transaction.

(b) At least fifteen (15) Business Days before the anticipated Closing Date, the Issuer shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Subscription Amount to the Issuer. No later than three (3) Business Days after receiving the Closing Notice, Subscriber shall deliver to the Issuer such information as is reasonably requested in the Closing Notice in order for the Issuer to issue the Subscribed Shares to Subscriber. Ten (10) Business Days prior to the expected Closing Date specified in the Closing Notice, Subscriber shall deliver to the Issuer, the Subscription Amount in cash via wire transfer to the account specified in the Closing Notice. At the Closing, the Issuer shall issue the Subscribed Shares to Subscriber and cause the Subscribed Shares to be registered in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or state or federal securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions) or to a custodian designated by Subscriber, as applicable. In the event that the consummation of the Transaction does not occur within ten (10) Business Days after the anticipated Closing Date specified in the Closing Notice, the Issuer shall promptly (but in no event later than ten (10) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Issuer by wire transfer in immediately available funds to the account specified by Subscriber; provided that, unless this Subscription Agreement has been validly terminated pursuant to Section 7 hereof, neither the failure of the Closing to occur on the Closing Date specified in the Closing Notice nor such return of funds shall (x) terminate this Subscription Agreement, (y) be deemed to be a failure of any of the conditions to Closing set forth in this Section 2, or (z) otherwise relieve any party of any of its obligations hereunder, including Subscriber’s obligation to redeliver the Subscription Amount and purchase the Subscribed Shares at the Closing in the event the Issuer delivers a subsequent Closing Notice. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or a day on which the Federal Reserve Bank of New York is closed. Prior to or at the Closing, Subscriber shall deliver to the Company a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8.

(c) The Closing shall be subject to the satisfaction or valid waiver (to the extent a valid waiver is capable of being issued) by the party (the Issuer and the Company, on the one hand, or Subscriber, on the other) entitled to the benefit thereof, of the conditions that, on or prior to the Closing Date:

(i) the Subscribed Shares shall have been approved for listing on the New York Stock Exchange (the “NYSE”) or the Nasdaq Stock

Market LLC (“Nasdaq”), subject to official notice of issuance, and no suspension of the qualification of the Subscribed Shares for offering or sale or trading on NYSE or Nasdaq, or, to the Issuer’s knowledge, initiation or threatening of any proceedings for any of such purposes, shall have occurred;

(ii) all conditions precedent to the closing of the Transaction set forth in the Share Sale Agreement, including, without limitation, the required approval of the Company’s shareholders, shall have been satisfied (as determined by the parties to the Share Sale Agreement, and other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction, but subject to satisfaction or waiver thereof by the party entitled to the benefit thereof under the Share Sale Agreement, including to the extent that any such condition is dependent upon the consummation of the purchase and sale of the Aggregate Subscribed Shares pursuant to the Subscription Agreements) or waived in writing by the party entitled to the benefit thereof under the Share Sale Agreement; and

(iii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation (whether temporary, preliminary or permanent) which is then in effect and has the effect of making consummation of the transactions contemplated hereby illegal or otherwise restraining, prohibiting or enjoining consummation of the transactions contemplated hereby (except in the case of a governmental authority located outside the United States where such judgment, order, law, rule or regulation would not be reasonably expected to have a Company Material Adverse Effect (as defined below)).

(d) The obligation of each of the Issuer and the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Issuer and the Company of the additional conditions that, on or prior to the Closing Date:

(i) all representations and warranties of Subscriber contained in this Subscription Agreement are true and correct in all material respects at and as of the Closing Date (other than (x) representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true in all respects or (y) representations and warranties that speak as of a specified earlier date, which representations and warranties shall be true and correct in all material respects (or, if qualified by materiality or Subscriber Material Adverse Effect, which representations shall be true and correct in all respects) as of such specified date), in each case without giving effect to the consummation of the Transaction, and consummation of the Closing shall constitute a reaffirmation by Subscriber of each of the representations and warranties of Subscriber contained in this Subscription Agreement as of the Closing;

(ii) Subscriber shall have wired the Subscription Amount in accordance with Section 2(b) of this Subscription Agreement and otherwise performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing; and

(iii) Subscriber shall have provided to the Issuer and the Company the information requested in Annex A hereto.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on or prior to the Closing Date:

(i) all representations and warranties of the Issuer and the Company contained in this Subscription Agreement are true and correct in all material respects at and as of the Closing Date (other than (A) representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true in all respects or (B) representations and warranties that speak as of a specified earlier date, which representations and warranties shall be true and correct in all material respects (or, if qualified by materiality or Company Material Adverse Effect, which representations shall be true and correct in all respects) as of such specified date), in each case without giving effect to the consummation of the Transaction, and consummation of the Closing shall constitute a reaffirmation by the Issuer and the Company of each of the representations and warranties of the Issuer and the Company, respectively, contained in this Subscription Agreement as of the Closing; provided that in the event this condition would otherwise fail to be satisfied as a result of a breach of one or more of the representations and warranties of the Issuer or the Company contained in this Subscription Agreement and the facts underlying such breach would also cause a condition to Glencore’s obligations under the Share Sale Agreement to fail to be satisfied, this condition shall nevertheless be deemed satisfied in the event Glencore waives such condition with respect to such breach under the Share Sale Agreement;

(ii) the Issuer and the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing, except where the failure of such performance, satisfaction or compliance would not or would not reasonably be expected to materially and adversely affect the economic benefits to Subscriber under this Subscription Agreement; and

(iii) there shall have been no amendment or modification to the Share Sale Agreement that materially and adversely affects the economic benefits to Subscriber under this Subscription Agreement without having received Subscriber’s prior written consent.

3. Issuer Representations and Warranties. For the purposes of this Section 3, the term “Issuer” shall refer to (i) the Issuer as of the date hereof, and (ii) for the purposes of the representations contained in subsections (f), (h) and (k) of this Section 3 and to the extent such representations and warranties are made as of the Closing Date, the combined company after giving effect to the Transaction as of the Closing Date. The Issuer represents and warrants to Subscriber and the Placement Agents (as defined below) that as of the date hereof:

(a) The Issuer (i) has been duly incorporated and is validly existing as a private limited company in good standing under the laws of Jersey, Channel Islands, (ii) has the requisite corporate power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect.

(b) As of the Closing Date, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued.

(c) The Subscribed Shares are not, and following the Closing, will not be, subject to any Transfer Restriction. The term “Transfer Restriction” means any condition to or restriction on the ability of the undersigned to pledge, sell, assign or otherwise transfer the Subscribed Shares under any

organizational document, policy or agreement of, by or with the Issuer, but excluding (i) the restrictions on transfer described in Section 5(e) of this Subscription Agreement with respect to the status of the Ordinary Shares as “restricted securities” pending their registration for resale under the Securities Act of 1933, as amended (the “Securities Act”), in accordance with the terms of this Subscription Agreement, and (ii) compliance with routine transfer registration provisions under the Issuer’s organizational documents and agreements and policies of the Issuer’s transfer agent.

(d) This Subscription Agreement has been duly authorized, executed and delivered by the Issuer, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(e) The execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Issuer with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Issuer pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Issuer is a party or by which the Issuer is bound or to which any of the property or assets of the Issuer is subject; (ii) the organizational documents of the Issuer; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(f) Assuming the accuracy of all of Subscriber’s representations and warranties set forth in Section 5 of this Subscription Agreement, the Issuer is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) filings with the United States Securities and Exchange Commission (the “Commission”), including the filing of the Registration Statement pursuant to Section 6 below, (iii) filings required by the NYSE or, in the event the Company becomes listed on Nasdaq, Nasdaq, including with respect to obtaining approval of the Company’s shareholders, (iv) filings required to consummate the Transaction as provided under the Share Sale Agreement, (v) any filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or any law or regulation of any other jurisdiction related to competition or merger control, if applicable, (vi) those that will be obtained, made or given, as applicable, on or prior to the Closing, and (vii) consents, waivers, authorizations, orders, notices or filings, the failure of which to obtain would not reasonably be expected to have a Company Material Adverse Effect or have a material adverse effect on the Issuer’s legal authority to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

4

(g) As of the date hereof, the entire authorized share capital of the Company consists of 221,000,000 Ordinary Shares, consisting of 200,000,000 Class A ordinary shares, 20,000,000 Class B ordinary shares and 1,000,000 preference shares. As of the Closing Date (and immediately after the consummation of the Transaction), the entire authorized share capital of the Issuer will consist of 220,000,000 Ordinary Shares and 1,000,000 preference shares of a par value of \$0.0001 per share.

(h) Assuming the accuracy of all of Subscriber’s representations and warranties set forth in Section 5 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Subscribed Shares by the Issuer to Subscriber and the Subscribed Shares are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities law.

(i) Neither the Issuer nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in violation of the Securities Act in connection with any offer or sale of the Subscribed Shares.

(j) Except for the Placement Agents, no broker or finder is entitled to any brokerage or finder’s fee or commission from the Issuer solely in connection with the sale of the Subscribed Shares to Subscriber.

(k) The Issuer has provided Subscriber an opportunity to ask questions regarding the Issuer and made available to Subscriber all the information reasonably available to the Issuer that Subscriber has reasonably requested to make an investment decision with respect to the Subscribed Shares.

(l) Except for such matters as have not had and would not reasonably be expected to have a Company Material Adverse Effect, the Issuer is in compliance with all laws applicable to the conduct of its business. The Issuer has not received any written, or to its knowledge, other communication from a governmental entity that alleges that the Issuer is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

For purposes of this Subscription Agreement, a “Company Material Adverse Effect” means any event, circumstance, change, development, effect or occurrence (collectively “Effect”) that, individually or in the aggregate with all other Effects, (a) is or would reasonably be expected to be materially adverse to the business, financial condition or results of operations of the Issuer or the Company and its subsidiaries, taken as a whole, *provided, however*, that a reduction or expected reduction in the operating cash flows of the Company of less than \$250,000,000 in any fiscal year shall not be considered a Company Material Adverse Effect; or (b) would prevent, materially delay or materially impede the performance by the Issuer or

the Company or its subsidiaries of their respective obligations under this Subscription Agreement, the Share Sale Agreement or the consummation of the Transaction before the Outside Date (as defined below); *provided, however*, that, in the case of clause (a), none of the following (or the effect of any of the following) shall be deemed to constitute, alone or in combination, or be taken into account in the determination of whether, there has been or will be a Company Material Adverse Effect: (i) any change or proposed change in applicable law (including subordinate legislation) or GAAP or IFRS, as applicable (including, in each case, the interpretation thereof) or changes in enforcement policies or official interpretations thereof or decisions of general applicability by any governmental entity, in each case, after the date of this Subscription Agreement; (ii) events, changes or conditions generally affecting the industries or geographic areas in which the Company and its subsidiaries operate, including the copper mining industry generally; (iii) any changes in general economic conditions, including changes in the credit, debt, securities, financial or capital markets (including changes in interest or exchange rates, prices of any security or market index or commodity or any disruption of such markets); (iv) declared or undeclared acts of war, armed hostilities, sabotage, civil unrest, protests, demonstrations, cyberattacks or terrorism, or any escalation or worsening of any such acts of war, armed hostilities sabotage, civil unrest, protests, demonstrations, cyberattacks or terrorism, or changes in global, national, regional, state or local political or social conditions; (v) any hurricane, tornado, flood, earthquake, mudslide, wildfire, natural disaster, epidemic, disease outbreak, pandemic (including, for the avoidance of doubt, the novel coronavirus, SARS-CoV-2 or COVID-19 and all related measures, strains and sequences) or other acts of God, (vi) any actions taken or not taken by the Issuer or the Company as required by this Subscription Agreement, the Share Sale Agreement or any other agreement executed and delivered in connection with the Transaction and specifically contemplated by the Share Sale Agreement, (vii) a government directive, sanction, order ban, rule or guideline in relation to any event (including a pandemic), (viii) a strike or industrial dispute which has as its result a national or statewide application, (ix) any fact, matter or circumstance disclosed in writing by or on behalf of Glencore to the Issuer or the Company prior to the date of this Subscription Agreement, (x) the unavailability (at commercially reasonable prices) of critical inputs required for the operation of CMPL's business supplied by third parties, (xi) any change or effect that is cured (including by payment of money) or ceases to exist on or before the Closing Date, (xii) any failure of CMPL and its subsidiaries, taken as a whole to meet any projections, forecasts, guidance, estimates or financial or operating predictions of revenue, earnings, cash flow or cash position (provided, that any Effect underlying such failure (except to the extent otherwise excluded by other clauses in this definition) may be taken into account in determining whether a Company Material Adverse Effect has occurred or would reasonably be expected to occur) or (xiii) any Effect attributable to the announcement or execution, pendency, negotiation, consummation or performance of this Subscription Agreement or the Transaction (including the impact thereof on relationships, contractual or otherwise, with customers, suppliers, employees, licensors, providers, distributors, partners, investors, or other third parties related thereto), except in the cases of clauses (i) through (v), to the extent that the Company is materially and disproportionately affected thereby as compared with other participants in the industry in which the Company operates.

6

(b) This Subscription Agreement has been duly authorized, executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution and delivery of this Subscription Agreement and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject; (ii) the organizational documents of the Company; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(d) Assuming the accuracy of all of Subscriber's representations and warranties set forth in [Section 5](#) of this Subscription Agreement, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance of this Subscription Agreement, other than (i) filings required by applicable state securities laws, (ii) filings with the United States Securities and Exchange Commission (the "[Commission](#)"), including the filing of the Registration Statement pursuant to [Section 6](#) below, (iii) filings required by the NYSE or, in the event the Company becomes listed on Nasdaq, Nasdaq, including with respect to obtaining approval of the Company's shareholders, (iv) filings required to consummate the Transaction as provided under the Share Sale Agreement, (v) any filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or any law or regulation of any other jurisdiction related to competition or merger control, if applicable, (vi) those that will be obtained, made or given, as applicable, on or prior to the Closing, and (vii) consents, waivers, authorizations, orders, notices or filings, the failure of which to obtain would not reasonably be expected to have a Company Material Adverse Effect or have a material adverse effect on the Company's legal authority to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

7

(e) Other than where the failure to timely file would not reasonably be expected to have a Company Material Adverse Effect, as of their respective dates, all reports required to be filed by the Company with the Commission (the "[SEC Reports](#)") complied in all material respects with the applicable requirements in existence as of such dates of the Securities Act and the Securities Exchange Act of 1934, as amended (the "[Exchange Act](#)"), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, as of such dates, in the light of the circumstances under which they were made, not misleading. Except as disclosed in the SEC Reports, the financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments.

(f) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in violation of the Securities Act in connection with any offer or sale of the Subscribed Shares.

(g) Except for the Placement Agents, no broker or finder is entitled to any brokerage or finder's fee or commission from the Company solely in connection with the sale of the Subscribed Shares to Subscriber.

(h) The Company has provided Subscriber an opportunity to ask questions regarding the Company and made available to Subscriber all the information reasonably available to the Company that Subscriber has reasonably requested to make an investment decision with respect to the Subscribed Shares.

(j) Except for such matters as have not had and would not reasonably be expected to have a Company Material Adverse Effect, the Company is in compliance with all laws applicable to the conduct of its business. The Company has not received any written, or to its knowledge, other communication from a governmental entity that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(j) As of the date hereof, the Company's issued and outstanding Class A ordinary shares (the "Company Shares") are registered pursuant to Section 12(b) of the Exchange Act and listed for trading on the NYSE or Nasdaq. There is no suit, action, claim, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by the NYSE or Nasdaq or the Commission with respect to any intention by such entity to deregister the Company Shares or to prohibit or terminate the listing of the Company Shares on the NYSE or Nasdaq, excluding, for the purposes of clarity, the customary ongoing review by the NYSE or Nasdaq in connection with the Transaction.

(k) There are no shareholder agreements, voting trusts or other agreements or understandings to which the Company is a party or by which it is bound relating to the voting of any securities of the Company, other than (1) as set forth in the SEC Reports and (2) as contemplated by the Share Sale Agreement.

(m) Each of the Issuer and the Company covenant to the Subscriber that, except as disclosed herein, if an Other Subscription Agreement or any other side letter or similar agreement with any Other Subscriber, contains more favorable terms and/or conditions (as the case may be) than the terms and/or conditions contained in this Subscription Agreement, then the terms and conditions of this Subscription Agreement shall be, without any further action by the Subscriber, the Issuer or the Company, automatically amended and modified in an economically and legally equivalent manner such that the Subscriber shall receive the benefit of such more favorable terms and/or conditions (as the case may be) set forth in such Other Subscription Agreement, side letter or similar agreement and the Issuer or the Company will notify Subscriber within three (3) calendar days following acceptance of the Subscriber's subscription by the Issuer and the Company of any such amended or modified term or condition; provided that upon written notice to the Issuer and the Company, at any time, the Subscriber may elect not to accept the benefit of any or all of such amended or modified terms or conditions, in which event any such terms or conditions not accepted shall be deemed not to have amended or modified this Subscription Agreement; *provided*, that Subscriber acknowledges that certain Subscribers purchasing a significant portion of the Aggregate Subscribed Shares have the additional right to receive a number of Class B ordinary shares of the Company from Green Mountain Metals LLC, a Cayman Islands limited liability company and the sponsor of the Company.

(c) The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. (e) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Issuer. Subscriber further acknowledges that there have not been, and Subscriber hereby expressly and irrevocably acknowledges and agrees that it is not relying on, any representations, warranties, covenants or agreements or statements made to Subscriber by or on behalf of the Issuer, the Company, Glencore or the Issuer's, the Company's or Glencore's respective affiliates or any of the respective subsidiaries, control persons, officers, directors, employees, partners, agents or representatives, or any other party to the Transaction or any other person or entity (including the Placement Agents), expressly or by implication, (including by omission), other than those representations, warranties, covenants, agreements and statements of the Issuer and the Company expressly set forth in this Subscription Agreement, and Subscriber is not relying on any other purported representations, warranties, covenants, agreements or statements (including by omission). Subscriber acknowledges that certain information provided by the Issuer and the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. Subscriber acknowledges that such information and projections were prepared without the participation of the Placement Agents and that the Placement Agents do not assume responsibility for independent verification of, or the accuracy or completeness of, such information or projections. Subscriber agrees that neither the Placement Agents nor any of its affiliates or any of their or their respective affiliates' control persons, officers, directors or employees, shall be liable (including in contract, tort, under federal or state securities laws or otherwise) to Subscriber pursuant to this Subscription Agreement for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Subscribed Shares. On behalf of itself and its affiliates and any of their respective control persons, officers, directors or employees, Subscriber releases the Placement Agents and any of their respective affiliates in respect of any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements related to this Subscription Agreement or the transactions contemplated hereby. Subscriber agrees not to commence any litigation or bring any claim against the Placement Agents nor any of their affiliates in any court or any other forum which relates to, may arise out of, or is in connection with, the placement of the Ordinary Shares. Subscriber undertook this investment freely and after obtaining independent legal advice.

(f) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber and upon the representations, warranties and covenants of the Issuer and the Company expressly set forth herein (and no other representations and warranties). Subscriber acknowledges and agrees that Subscriber has received and had adequate time to review such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Issuer, the Company and the Transaction (including CMPL and its subsidiaries (collectively, the “Acquired Companies”). Subscriber acknowledges it has conducted its own investigation of the Company and the Subscribed Shares and has not relied on any statements or other information provided by the Placement Agents concerning the Issuer, the Company or the Subscribed Shares or the offer and sale of the Subscribed Shares, and has been offered the opportunity to ask questions of the Issuer and the Company and received answers thereto, including on the financial information, as Subscriber deemed necessary in connection with its decision to purchase the Subscribed Shares. Subscriber has made its own assessment and is satisfied concerning the relevant tax and other economic considerations relevant to its investment in the Subscribed Shares. Without limiting the generality of the foregoing, Subscriber acknowledges that Subscriber has reviewed the SEC Reports. Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned’s professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Subscriber acknowledges and agrees that none of Citigroup Global Markets Inc., UBS Securities LLC, Canaccord Genuity LLC and Ashanti Capital Pty Ltd., each acting as a placement agent to the Company (collectively, the “Placement Agents”), nor any affiliate of the Placement Agents has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. Neither the Placement Agents nor any of their affiliates have made or make any representation or warranty, whether express or implied, of any kind or character as to the Issuer, the Company or the Acquired Companies or the quality or value of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Issuer, the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, neither the Placement Agents nor any of their affiliates have acted as a financial advisor or fiduciary to Subscriber. Subscriber agrees that neither the Placement Agents nor any of their affiliates or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with Subscriber’s purchase of the Subscribed Shares. Subscriber understands that the Placement Agents and their directors, officers, employees, representatives and controlling persons have made no independent investigation with respect to the Issuer, the Company or the Subscribed Shares or the accuracy, completeness or adequacy of any information supplied to the Placement Agents by the Issuer and the Company. On behalf of Subscriber and Subscriber’s affiliates, Subscriber releases the Placement Agents and their respective affiliates in respect of any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements related to the Subscription. Subscriber agrees not to commence any litigation or bring any claim against any of the Placement Agents nor any of their affiliates in any court or any other forum which relates to, may arise out of, or is in connection with, the Subscription. This undertaking is given freely and after obtaining independent legal advice.

Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means, and none of the Issuer, the Company, the Placement Agents or their respective Representatives acted as investment advisor, broker or dealer to Subscriber. Subscriber acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person or entity (including, without limitation, the Issuer, the Company, the Placement Agents and/or their respective Representatives), other than the representations and warranties expressly set forth in this Subscription Agreement, in making its investment or decision to invest in the Issuer and the Company. Subscriber acknowledges that the Issuer and the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising, including methods described in Section 502(c) of Regulation D under the Securities Act, and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

Subscriber acknowledges specifically that a possibility of total loss exists.

(j) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the "BSA/PATRIOT Act"), that Subscriber is in material compliance with the BSA/PATRIOT Act, and maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that it maintains policies and procedures reasonably designed to ensure compliance with Sanctions, including for the screening of its investors to confirm that they are not Restricted Persons. Subscriber further represents and warrants that it maintains policies and procedures reasonably designed to ensure that the funds held by Subscriber and used to purchase the Subscribed Shares were legally derived and were not obtained, directly or indirectly, from a Restricted Person or related to any activities that may contravene U.S. federal, state or non-U.S. anti-money laundering laws (including the BSA/PATRIOT Act), anti-corruption or Sanctions laws and regulations or activities that may otherwise be deemed criminal. Subscriber further represents and warrants that any returns from Subscriber's investment will not be used to finance any illegal activities, or any activities that would cause the Company to violate Sanctions. Subscriber is not a "foreign person," "foreign government," or a "foreign entity," in each case, as defined in Section 721 of the Defense Production Act of 1950, as amended, including, without limitation, all implementing regulations thereof (the "DPA"). Subscriber is not controlled, in whole or in part, by a "foreign person," as defined in the DPA.

(l)Subscriber does not have, as of the date hereof, and during the 30-day period immediately prior to the date hereof Subscriber has not entered into, any "put equivalent position" as such term is defined in Rule 16a-1 under the Exchange Act or short sale positions with respect to the securities of the Issuer or the Company. Notwithstanding the foregoing, in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of Subscriber's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of Subscriber's assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

15

(m)If Subscriber is an employee benefit plan that is subject to Title I of ERISA, a plan, an individual retirement account or other arrangement that is subject to Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code"), or an employee benefit plan that is a governmental plan (as defined in Section 3(32) of ERISA), a church plan (as defined in Section 3(33) of ERISA), a non-U.S. plan (as described in Section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include "plan assets" of any such plan, account or arrangement (each, a "Plan", collectively, the "Plans") subject to the fiduciary or prohibited transaction provisions of ERISA or Section 4975 of the Code or other laws or regulations that are similar to such provisions, then Subscriber represents and warrants that neither the Issuer, the Company, nor any of its respective affiliates (the "Transaction Parties") has acted as the Plan's fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan's fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares.

(n)At the Closing, Subscriber will have sufficient funds to pay the Subscription Amount pursuant to Section 2(b) of this Subscription Agreement.

(o)Subscriber agrees that, notwithstanding Section 10(h) of this Subscription Agreement, the Placement Agents may rely upon the representations and warranties made by Subscriber to the Issuer and the Company in this Subscription Agreement.

(p)No broker, finder or other financial consultant has acted on behalf of Subscriber in connection with this Subscription Agreement or the transactions contemplated hereby in such a way as to create any liability on the Issuer or the Company.

(q)Subscriber hereby acknowledges and agrees that (i) the Placement Agents are each acting solely as a Placement Agent in connection with the Subscription contemplated by this Subscription Agreement and are not acting as an underwriter or in any other capacity and are not and shall not be construed as a fiduciary for the undersigned, the Issuer, the Company or any other person or entity in connection with the transactions contemplated herein, (ii) neither the Placement Agents nor any of their respective Representatives have made, or will make, any representation or warranty, whether express or implied, of any kind or character and have not provided any advice or recommendation in connection with the transactions contemplated herein, (iii) the Placement Agents and their respective Representatives will have no responsibility with respect to (x) any representations, warranties or agreements made by any person or entity under or in connection with the Subscription as contemplated by this Subscription Agreement or the transactions contemplated herein or any of the documents furnished pursuant thereto or in connection therewith, or the execution, legality, validity or enforceability (with respect to any person) of any thereof, or (y) the business, affairs, financial condition, operations, properties or prospects of, or any other matter concerning the Issuer, the Company, the Acquired Companies or the transactions contemplated herein, (iv) the Placement Agents and their respective Representatives shall have no liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by Subscriber, the Issuer, the Company or any other person or entity), whether in contract, tort or otherwise, to Subscriber, or to any person claiming through Subscriber, in respect of the transactions contemplated herein, (v) neither the Placement Agents nor their respective Representatives have made an independent investigation with respect to the Issuer, the Company or the Subscribed Shares or the accuracy, completeness or adequacy of any information supplied to Subscriber by the Issuer or the Company, and (vi) the Placement Agents have not prepared a disclosure or offering document in connection with the offer and sale of the Subscribed Shares.

16

(r)Except for the representations and warranties contained in this Section 5, Subscriber makes no express or implied representation or warranty, and Subscriber hereby disclaims any such representation or warranty with respect to the execution and delivery of this Subscription Agreement and the consummation of the transactions contemplated herein.

(s)If Subscriber is located in or receiving this offer in Australia, Subscriber warrants that (i) it is a person or body referred to in Section 708(11) or 708(12) of the *Corporations Act 2001* (Cth); or (ii) that a qualified accountant has issued a certificate, no more than six months prior to the date of this Subscription Agreement, confirming that Subscriber (x) has net assets of at least AU\$2.5 million; or (y) has a gross annual income for each of the last two financial years of at least AU\$250,000 per annum; or (iii) it is otherwise an "exempt offeree" for the purposes of Section 708 of the *Corporations Act 2001*

(Cth) and does not require disclosure from the Company under Part 6D.2 of the Corporations Act in order for the Company to issue the Subscribed Shares to Subscriber under this Subscription Agreement; and (iv) it agrees to comply with Section 707(3) of the *Corporations Act 2001* (Cth) and acknowledges Subscriber will be prohibited from on-selling the Subscribed Shares to investors in Australia for a period of 12 months after their issuance unless such purchaser falls within an exception set out in Section 708 of the *Corporations Act 2001* (Cth).

6. Registration of Subscribed Shares.

(a) The Issuer agrees that the Issuer will file with the Commission (at the Issuer's sole cost and expense) a registration statement registering the resale of the Ordinary Shares (the "Registration Statement") no later than thirty calendar days after the Closing Date, and the Issuer shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) sixty calendar days after the filing thereof (or, in the event the Commission reviews and has written comments to the Registration Statement, the ninetieth calendar day following the filing thereof) and (ii) the tenth Business Day after the date the Issuer is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be "reviewed" or will not be subject to further review (i) and (ii) collectively, the "Effectiveness Deadline"; provided that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. The Issuer will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment) at least two (2) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Issuer be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber's review. Unless otherwise agreed to in writing by Subscriber, Subscriber shall not be identified as a statutory underwriter in the Registration Statement unless requested by the Commission or another regulatory agency; provided, that if the Commission or another regulatory agency requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement upon its prompt written request to the Issuer. Notwithstanding the foregoing, if the Commission prevents the Issuer from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Ordinary Shares by the applicable shareholders or otherwise, such Registration Statement shall register for resale such number of Ordinary Shares which is equal to the maximum number of Ordinary Shares as is permitted by the Commission. In such event, the number of Ordinary Shares to be registered for each selling shareholder named in the Registration Statement shall be reduced pro rata among all such selling shareholders. The Issuer agrees that, except for such times as the Issuer is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Issuer will use its commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two years from the issuance of the Ordinary Shares, (ii) the date on which all of the Ordinary Shares shall have been sold, and (iii) on the first date on which the undersigned can sell all of its Ordinary Shares (or shares received in exchange therefor) under Rule 144 without limitation as to the manner of sale or the amount of such securities that may be sold. If requested by Subscriber, the Issuer shall use its commercially reasonable efforts to (i) cause the removal of the restrictive legends from any Ordinary Shares being sold under the Registration Statement or pursuant to Rule 144 at the time of sale of such Registrable Securities (as defined below) and, at the request of a Holder (as defined below), cause the removal of all restrictive legends from any Registrable Securities held by such Holder that may be sold by such Holder without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions, and (ii) cause its legal counsel to deliver an opinion, if necessary, to the transfer agent in connection with the instruction under subclause (i) to the effect that the removal of such restrictive legends in such circumstances may be effected under the Securities Act, in each case upon the receipt of customary representations and other documentation, if any, from the Holder as reasonably requested by the Issuer, its counsel or the transfer agent, establishing that restrictive legends are no longer required. The Issuer shall use its commercially reasonable efforts to have the legend removal referenced above apply to all shares held by Subscriber in a single transaction. The Issuer will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable Holder to resell Registrable Securities pursuant to the Registration Statement or Rule 144, as applicable, qualify the Registrable Securities for listing on the applicable stock exchange on which the Ordinary Shares are then listed and update or amend the Registration Statement as necessary to include Registrable Securities. "Registrable Securities" shall mean, as of any date of determination, the Ordinary Shares and any other equity security issued or issuable with respect to the Ordinary Shares by way of share subdivision, dividend, distribution, recapitalization, merger, exchange, replacement or similar event, provided, however, that such securities shall cease to be Registrable Securities at the earliest of (A) three years, (B) the date all Ordinary Shares held by a Holder may be sold by such Holder without volume or manner of sale limitations pursuant to Rule 144 and without the requirement for the Issuer to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable), (C) the date on which such securities have actually been sold by a Holder, and (D) when such securities shall have ceased to be issued and outstanding. "Holder" shall mean Subscriber or any affiliate of Subscriber to which the rights under this Section 6 shall have been assigned. The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Exchange Act, of Ordinary Shares to the Issuer (or its successor) promptly upon request to assist the Issuer in making the determination described above. The Issuer's obligations to include the Ordinary Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Issuer such information regarding Subscriber, the securities of the Issuer held by Subscriber and the intended method of disposition of the Ordinary Shares as shall be reasonably requested by the Issuer to effect the registration of the Ordinary Shares, and Subscriber shall execute such documents in connection with such registration as the Issuer may reasonably request that are customary of a selling shareholder in similar situations, including providing that the Issuer shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. In the case of the registration effected by the Issuer pursuant to this Subscription Agreement, the Issuer shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an unwritten offering of Ordinary Shares. Notwithstanding anything to the contrary contained herein, the Issuer may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transactions of the Issuer or would require premature disclosure of information that could materially adversely affect the Issuer (each such circumstance, a "Suspension Event"); provided, that, (w) the Issuer shall not so delay filing or so suspend the use of the Registration Statement for a period of more than sixty (60) consecutive days or more than two times in any 360-day period and (x) the Issuer shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Issuer (which notice shall not contain any material non-public information regarding the Issuer) of the occurrence of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Ordinary Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended prospectus (which the Issuer agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Issuer that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Issuer unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Issuer, the undersigned will deliver to the Issuer, or in the undersigned's sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in the undersigned's

possession; *provided, however*, that this obligation to deliver or destroy all copies of the prospectus covering the Ordinary Shares shall not apply (w) to the extent the undersigned is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up.

7. **Termination.** This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Share Sale Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the Issuer and the Company and Subscriber to terminate this Subscription Agreement, or (c) August 2, 2023 (the “Outside Date”); provided, that nothing herein will relieve any party from liability for any willful breach hereof (including, for the avoidance of doubt, a Subscriber’s willful breach of Section 2(c) of this Subscription Agreement with respect to its representations, warranties and covenants as of the date of the Closing) prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Issuer and the Company shall notify Subscriber of the termination of the Share Sale Agreement promptly after the termination thereof. For the avoidance of doubt, if any termination hereof occurs after the delivery by Subscriber of the Subscription Amount for the Subscribed Shares, the Issuer and the Company shall promptly (but not later than one (1) Business Day thereafter) return the Subscription Amount to Subscriber by wire transfer of immediately available funds to the account specified by Subscriber without any deduction for or on account of any tax, withholding, charges, or set-off.

19

8. **No Short Sales.** Subscriber hereby agrees that, from the date of this Subscription Agreement until the Closing Date (or earlier termination of this Subscription Agreement), neither Subscriber nor any Person acting on behalf of Subscriber or pursuant to any understanding with Subscriber will engage in any Short Sales (as defined below) with respect to securities of the Issuer and the Company, as applicable. For purposes of this Section 8, “Short Sales” shall mean all “short sales” as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all short positions effected through any direct or indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), or sales or other short transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing in this Section 8 shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber’s Subscription (including Subscriber’s controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of an Investor that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Investor’s assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers or desks managing other portions of such Investor’s assets, the limitations set forth in the first sentence of this Section 8 shall only apply with respect to the portion of assets managed by the portfolio managers or desks that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

9. **Trust Account Waiver.** Subscriber hereby acknowledges that the Company has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the public shareholders of the Company and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (i) agrees that it nor any of its related parties does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account or distributions therefrom, and shall not make any claim against the Trust Account (including any distributions therefrom), in each case, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Released Claims”) and (ii) irrevocably waives any Released Claims that it or any of its related parties may have against the Trust Account (including any distributions therefrom) now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company and will not seek recourse against the Trust Account (including any distributions therefrom) for any reason whatsoever (including for an alleged breach of any agreement with the Company or its related parties); *provided, however*, that nothing herein shall serve to limit or prohibit Glencore’s right to pursue a claim against the Company or for legal relief against assets held outside the Trust Account (including from and after the consummation of a transaction other than as contemplated by this document) or for specific performance, injunctive or other equitable relief in connection with the consummation of the Transaction so long as such claim would not affect the Company’s ability to fulfill its obligation to effectuate the Buyer Guarantor Shareholder Redemptions (as defined in the Share Sale Agreement). Subscriber acknowledges and agrees that such irrevocable waiver is material to this document and specifically relied upon by the Company to induce the Company to enter into this document, and such party further intends and understands such waiver to be valid, binding and enforceable against it and its related parties under applicable law. Subscriber agrees not to seek recourse or make or bring any action, suit, claim or other proceeding against the Trust Account as a result of, or arising out of, this Subscription Agreement, the transactions contemplated hereby or the Subscribed Shares regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability. Subscriber acknowledges and agrees that it shall not have any redemption rights with respect to the Subscribed Shares pursuant to the Company’s organizational documents in connection with the Transaction or any other business combination, any subsequent liquidation of the Trust Account, the Company or otherwise. In the event Subscriber or any of its related parties have any claim against the Company in connection with, as a result of, relating to or arising out of, this Subscription Agreement, the transactions contemplated hereby or the Subscribed Shares, Subscriber and its related parties (or claimant on any of their behalves or in lieu of any of them) shall pursue such claim solely against the Company and its assets outside the Trust Account and not against the Trust Account or any monies or other assets in the Trust Account.

10. **Miscellaneous.**

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, on the date of transmission to such recipient; (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 10(a).

(b) Subscriber acknowledges that (i) the Issuer and the Company will rely on the acknowledgments, understandings, agreements, representations and warranties made by Subscriber contained in this Subscription Agreement and (ii) the Placement Agents will rely on the representations and warranties made by Subscriber and the Company, as the case may be, contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Issuer and the Company and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. The Issuer and the Company acknowledges that Subscriber and others (including Placement Agents) will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement.

(c) Each of the Issuer, the Company, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party as requested or required by law, rule or regulation in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby; provided that, with respect to production by the Issuer and the Company, such party will provide Subscriber with at least three (3) Business Days’ prior written notice of such production to the extent legally permissible and subject to Section 10(s).

(d) Regardless of whether the Closing occurs, Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Issuer and the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, each of the Issuer and the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Issuer and the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of Subscriber) or, with the Issuer and the Company's prior written consent, to another person, provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations, unless each of the Issuer and the Company has given its prior written consent to such relief, and such assignee agrees in writing to be bound by the terms hereof.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing.

(g) The Issuer or the Company may request from Subscriber such additional information as the Issuer or the Company may reasonably determine necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares, to register the resale of the Subscribed Shares or otherwise consummate or evidence the transaction contemplated by this Subscription Agreement, and Subscriber shall provide such information as may be reasonably requested, to the extent readily available and to the extent consistent with its internal policies and procedures provided that the Issuer and the Company agree to keep any such information provided by Subscriber confidential other than as necessary to include in any registration statement the Issuer and the Company is required to file hereunder or in connection herewith. Subscriber acknowledges and agrees that if it does not provide the Issuer or the Company with such requested information, the Issuer and the Company may not be able to register the Subscribed Shares for resale pursuant to [Section 6](#) hereof. Subscriber hereby agrees that the Subscription Agreement, as well as the nature of Subscriber's obligations hereunder, may be disclosed in any public announcement or disclosure required by the Commission and in any registration statement, proxy statement, consent solicitation statement or any other Commission filing to be filed by the Issuer and the Company in connection with the issuance of the Subscribed Shares contemplated by this Subscription Agreement and/or the Transaction, in each case without Subscriber's prior written consent.

(h) This Subscription Agreement may not be amended, modified, waived or terminated (other than pursuant to the terms of [Section 7](#) above) except by an instrument in writing, signed by each of the parties hereto; provided, that this Subscription Agreement may be amended, modified, waived or terminated with the written consent of the Issuer, the Company and the holders then committed to purchase a majority of the Aggregate Subscribed Shares to be purchased at the Closing, including each holder (together with its affiliates and accounts and funds controlled or managed by it or its affiliates) then committed to purchase at least \$20,000,000 of the Aggregate Subscribed Shares (or, if after the Closing, the Issuer, the Company and the holders then holding a majority of the then issued and outstanding Aggregate Subscribed Shares); provided further, that [Section 5](#), [this Section 10\(h\)](#), and [Section 10\(j\)](#) of this Subscription Agreement may not be amended, terminated or waived in a manner that is material and adverse to the Placement Agents without the written consent of the Placement Agents. Upon the effectuation of such waiver, modification, amendment or termination in conformance with [this Section 10\(h\)](#), such amendment, modification, waiver or termination shall be binding on Subscriber and effective as to all of this Subscription Agreement. The Issuer and the Company shall promptly give written notice thereof to Subscriber if Subscriber has not previously consented to such amendment, modification, waiver or termination in writing; provided that the failure to give such notice shall not affect the validity of such amendment, modification, waiver or termination. Notwithstanding anything to the contrary herein, (i) any amendment, modification or waiver that has a disproportionate effect on Subscriber (considered apart from any disproportionate effect owing to the aggregate amount of the Subscribed Shares held by such Subscriber), relative to any of the Other Subscribers shall require the consent of Subscriber and (ii) any amendment to [Section 6](#) or [Section 7](#) of this Subscription Agreement shall require the consent of Subscriber.

(i) This Subscription Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties hereto, with respect to the subject matter hereof, except that any confidentiality agreement with respect to the undersigned or its affiliates shall remain in full force and effect following the amendment, modification, waiver or termination of this Subscription Agreement.

(j) Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns. The parties hereto acknowledge and agree that each of the Placement Agents is an express third-party beneficiary of its express rights in [Section 3](#), [Section 4](#), [Section 5](#), [Section 10\(h\)](#) and [this Section 10\(j\)](#) of this Subscription Agreement. In addition, (i) the Issuer and the Company acknowledges and agrees that each of the Placement Agents is a third-party beneficiary of the acknowledgments, understandings, agreements, covenants, representations and warranties made by the Issuer and the Company contained in this Subscription Agreement, and (ii) Subscriber acknowledges and agrees that each of the Placement Agents is a third-party beneficiary of the acknowledgments, understandings, agreements, covenants, representations and warranties made by Subscriber contained in this Subscription Agreement. Each of the parties hereto shall be entitled to seek and obtain equitable relief, without proof of actual damages, including an injunction or injunctions or order for specific performance to prevent breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement to cause Subscriber to fund the Subscription Amount and cause the Closing to occur if the conditions in [Section 2](#) of this Subscription Agreement have been satisfied or, to the extent permitted by applicable law, waived by the applicable party entitled to waive any such condition. Each party hereto further agrees that none of the parties hereto or the Placement Agents shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in [this Section 10\(j\)](#), and each party hereto irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

(k) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(l) [Reserved.]

(m) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf or any other form of electronic delivery (including any electronic signature complying with U.S. federal E-SIGN Act of 2000)) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(n) The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties hereto and the Placement Agents shall be entitled to seek an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled to seek at law, in equity, in contract, in tort or otherwise. The parties hereto further agree not to assert that a remedy of specific enforcement pursuant to this Section 10(n) is unenforceable, invalid, contrary to applicable law or inequitable for any reason and to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In addition, the prevailing party in any action to enforce the provisions of this agreement shall be entitled to fees and expenses incurred in connection therewith. The parties acknowledge and agree that this Section 10(n) is an integral part of the transactions contemplated hereby and without that right, the parties hereto would not have entered into this Subscription Agreement.

24

(o) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other jurisdiction.

(p) EACH PARTY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(q) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the state courts of New York or in the federal courts located in the state and county of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this subscription agreement may be brought in any other forum. Notwithstanding the foregoing, a final judgement in any such action may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each party hereby irrevocably waives all claims of immunity from jurisdiction and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 10(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

(r) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party. No past, present or future director, officer, employee, incorporator, manager, member, partner, shareholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby. Forward Looking Statements

This press release includes "forward-looking statements." MAC's actual results may differ from expectations, estimates, and projections and, consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions (or the negative versions of such words or expressions) are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, MAC's expectations with respect to future performance of the CSA Mine and anticipated financial impacts and other effects of the proposed business combination, the satisfaction of the closing conditions to the proposed transaction and the timing of the completion of the proposed transaction. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from those discussed in the forward-looking statements. Most of these factors are outside MAC's control and are difficult to predict. Factors that may cause such differences include, but are not limited to: the occurrence of any event, change, or other circumstances that could give rise to the termination of the Share Sale Agreement dated as of March 17, 2022, and as further amended by the Share Sale Agreement Side Letter, dated as of April 21, 2023 (as amended by the Deed of Consent and Covenant dated as of November 22, 2022 (the "Share Sale Agreement")); the outcome of any legal proceedings that may be instituted against MAC following the announcement of the Share Sale Agreement; the inability to complete the proposed transaction, including due to failure to obtain financing, approval of the shareholders of MAC, certain regulatory approvals, or satisfy other conditions to closing in the Share Sale Agreement; the occurrence of any event, change, or other circumstance that could give rise to the termination of the Share Sale Agreement, or could otherwise cause the transaction to fail to close MAC's inability to secure the expected financing for the consideration under the Share Sale Agreement; the inability to obtain or maintain the listing of MAC's shares following the proposed transaction; the risk that the proposed transaction disrupts current plans and operations as a result of the announcement and consummation of the proposed business combination; the ability to recognize the anticipated benefits of the proposed business combination, which may be affected by, among other things; the supply and demand for copper; the future price of copper; the timing and amount of estimated future production, costs of production, capital expenditures and requirements for additional capital; cash flow provided by operating activities; unanticipated reclamation expenses; claims and limitations on insurance coverage; the uncertainty in mineral resource estimates; the uncertainty in geological, metallurgical and geotechnical studies and opinions; infrastructure risks; and dependence on key management personnel and executive officers; and other risks and uncertainties indicated from time to time in the final prospectus of MAC for its initial public offering and the definitive proxy statement/prospectus relating to the proposed business combination that MAC filed with the SEC, including those under "Risk Factors" therein, and in MAC's other filings with the SEC. MAC cautions that the foregoing list of factors is not exclusive. MAC cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. MAC does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions, or circumstances on which any such statement is based.

More information on potential factors that could affect MAC's or CSA Mine's financial results is included from time to time in MAC's public reports filed with the SEC, including its Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K as well as the definitive proxy statement/prospectus MAC filed with the SEC in connection with MAC's solicitation of proxies for the meeting of shareholders to be held to approve, among other things, the proposed business combination. If any of these risks materialize or MAC's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that MAC does not presently know, or that MAC currently believes are immaterial, that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect MAC's expectations, plans or forecasts of future events and views as of the date of this communication. MAC anticipates that subsequent events and developments will cause its assessments to change. However, while MAC may elect to update these forward-looking statements at some point in the future, MAC specifically disclaims any obligation to do so, except as required by law. These forward-looking statements should not be relied upon as representing MAC's assessment as of any date subsequent to the date of this communication. Accordingly, undue reliance should not be placed upon the forward-looking statements.
